

RICHLAND HIGH SCHOOL
"MEGA" REUNION
46 YEARS OF TRADITION
1962-2008

INVITATION

In 2006, Birdville School District voters passed a bond issue that included construction of a new Richland High School. Construction began in February 2008 and the new building is scheduled to open in the fall of 2009. The original building with the exception of the addition that was opened in 1989, will be torn down. At the request of the current faculty and students at RHS, an alumni committee was formed and the idea of a "MEGA" reunion including all graduating classes was born. This includes students from 1962 to the most recent Class of 2008.
